

January, 2010

Dear Guest/Prospective New Member,

These are exciting times at the Oxford University Club as we celebrate our tenth anniversary, 2000-2010. We invite you to join in our festivities and member events to help as we ring in the new year and the start of a new decade for the club.

As part of our celebrations we are offering an open house invitation for prospective new members. This option allows you a trial membership for a two month period with no membership dues, minimum food and beverage expenditures, or credit card surcharges. Your permanent membership will then start on the first day of the third calendar month, unless we hear from you to cancel your trial account. Please complete the enclosed membership application and return it at your earliest convenience.

Your visits to the club during your trial membership will require the use of a credit card for payment. Reservations are requested and please mention your temporary membership number when calling us. Our hours of operation are Lunch: Tuesday-Friday, 11:30-1:30; Dinner: Tuesday-Saturday, beginning at 5:30 and Sunday Brunch: 11:30-1:30.

We look forward to your membership with us and getting to know you and your family.

Cordially,

A handwritten signature in cursive script, reading "Rusty Cooper". The signature is written in dark ink and has a fluid, connected style.
